ABOUT

A jack of many, I embrace challenges and learning new things. I am constantly growing as a UI/UX designer, web developer, and critical thinker.

EDUCATION

Trinity University, 2010
Bachelor of Arts in English and
Communication

EXPERIENCE

Designer & Project Manager
at *MWM Digital*
Oct 2013–Present

Designed websites and webapps using Illustrator. Wireframed using Balsamic and whiteboards. Managed project development and clients via email, phone, and Jira. Implemented frontend sites.

Visual Designer
at *Consumer Media Network*
Jan 2012–Aug 2013

Designed websites using Illustrator. Designed widgets, landing pages, and logos for sites. Optimized images and graphics. Made typography changes. Critiqued team's designs.

Staff Writer
at *Consumer Media Network*
Apr 2011–Jan 2012

Solicited sites for guest-blogging. Pitched story ideas to a variety of webmasters. Wrote 4 blog posts — approximately 2000 words — a day.

Communication Director
at *Home Respiratory*
June 2010–Dec 2010

Drafted letters to patients, doctors, and insurance providers. Designed pamphlet. Contacted patients via writing or phone call for equipment maintenance and renewal.

Photography Editor
at *Trinitonian* and *Mirage*
2009–2010

Edited photographs on Photoshop. Translated story ideas into visual assignments. Laid out photos on page. Managed photography meetings. Photographed assignments.

Editor in Chief
at *Trinitonian*
2008–2009

Edited stories AP Style. Trained writing and editorial staff. Designed pages on InDesign. Managed staff and production schedule. Wrote weekly editorial. Solicited guest columnists.
